

Read Around the Posies ~ Let's Start Planting!

Read Around the Posies is a fundraiser sponsored by the Alliance Public Library Board. It is a flowerpot silent auction where local businesses and individuals are asked to design flower pots. Proceeds will benefit the Alliance Public Library Foundation.

You may choose to decorate or paint a 12" terra cotta pot supplied by the library or select another container. If you choose to paint or decorate the pot, make sure to use a weatherproof sealant to preserve the design.

You may pick up a pot with planting guidelines in the library beginning April 1st.

The flowerpot will need to be returned to the library no later than May 16th for display in the library through May 21st. Bidding will close at noon.

If you have any questions, contact Tom Price at 760-5686.

The Alliance Library Board will be grateful for your participation!

Sincerely,
Tom Price
Alliance Public Library Board Member
